MANUFACTURING
MADE IN NORTH AMERICA

- ★ Available in 120/277 volts
- ★ CSA/UL certified

• High-impact acrylic lens

• 45° angled sockets deliver maximum lumen output

Less than 25%
of the energy used by standard
incandescent fixtures

Fixture Description and Applications

The JAFtech Globe fixture series is an ideal replacement for traditional incandescent ceiling or wall mounted fixtures. These fixtures boast lamps lasting up to 10 times longer than their incandescent counterparts.

These fixtures are ideal for use in housing projects, hotels, and hallways as an effective means of energy conservation.
