Fixture Description and Applications

Versatility meets elegance with our JAFtech Indirect Fixture Series. With a highly reflective 92% white reflective surface this fixture boast one of the highest efficiencies in it's series.

As well, this fixture line offers ideal replacements for traditional T8 indirect fixtures and uses far less space with higher lumen outputs. As an effective means of energy conservation, this fixture line is perfect for use in any office environment and any other area where a stylish fixture is essential.
