

COMPACT FLUORESCENT VANITY FIXTURE

COMPACT

JAFtech
MANUFACTURING
MADE IN NORTH AMERICA

- ★ Exceptional fixture efficiency @ 70.9%
- ★ Available in all standard voltages
- ★ CSA/UL certified

• The high-impact acrylic lens insures even light distribution and reduces glare

• 45° angled sockets deliver maximum lamp output

GFCI Receptacle (Optional)

Fixture Description and Applications

Versatility meets economy with our JAFtech Vanity Fixture Series. With an optional built-in GFCI, this fixture can be an economic and easy solution for an area requiring an electrical outlet.

As well, this fixture line offers ideal replacements for traditional incandescent vanities, as it uses one quarter of the energy, with lamps lasting up to 10 times longer. As an effective means of energy conservation, this fixture line is perfect for use in housing projects, hotels and retirement institutions.
